TENTANG YMN

PT Yasta Mitra Nusantara adalah perusahaan procurement dan perdagangan B2B Indonesia. Kami membantu perusahaan dan institusi mendapatkan produk melalui supplier, distributor, principal, dan pabrik yang relevan.

Kami tidak berhenti pada pencarian barang. Tim YMN membangun jalur komersial dari sourcing, penawaran, project sales, e-Katalog dan tender sampai koordinasi pemenuhan. Bila sumber terbaik berada di luar Indonesia, kami juga mengembangkan international sourcing dan jalur impor sesuai ketentuan yang berlaku.

ABOUT YMN

PT Yasta Mitra Nusantara is an Indonesian B2B procurement and trading company. We help companies and institutions source products through relevant suppliers, distributors, principals and manufacturers.

Our role goes beyond finding products. YMN develops the commercial route from sourcing and quotation to project sales, e-Catalogue opportunities, tenders and fulfilment coordination. When the best source is overseas, we can develop international sourcing and import routes in line with applicable requirements.
